(v) It shall remain liable for the failure to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Collateral owned or rights therein held by it or on its behalf, all in accordance with the terms and conditions thereof, and it agrees, jointly with the other Grantors and severally, to indemnify and hold harmless the Administrative Agent and the other Secured Parties from and against any and all liability for such performance.

Except for Liens or transfers expressly permitted by the Loan Documents, it shall not make or permit to be made any transfer of such Collateral, and it shall remain at all times in possession of such Collateral and the direct owner, beneficially and of record, of the Pledged Equity Interests included in such Collateral, except that (A) Inventory may be sold in the ordinary course of business and (B) unless and until the Administrative Agent shall notify it that an Event of Default shall have occurred and be continuing and that, during the continuance thereof, it shall not sell, convey, lease, assign, transfer or otherwise dispose of any such Collateral (which notice may be given by telephone if promptly confirmed in writing), it may use and dispose of such Collateral in any lawful manner not inconsistent with the provisions of this Security Agreement or any other Loan Document.

(vii) It shall, at its own cost and expense, maintain or cause to be maintained insurance covering physical loss or damage to the Collateral owned or rights therein held by it or on its behalf against all risks and liability arising from the use or intended use, or otherwise attributable or relating to, such Collateral, in each case in accordance with Section 6.10 of the Credit Agreement. It shall cause each such insurance policy (other than any policy related to workers' compensation) to (A) name each of the Administrative Agent and the other Secured Parties as an "additional insured" if such policy is a liability policy, (B) name the Administrative Agent as "loss payee" if such policy is a property policy, (C) provide that the Administrative Agent and each Lender shall be notified in writing of any proposed cancellation or material change in risk, of such policy, initiated by such Grantor's insurer at least 30 days (or at least 10 days with respect to a failure to pay any premium due) prior to any proposed cancellation or material change in risk, (D) contain a waiver of subrogation in favor of the Administrative Agent, (E) provide that the insurance shall be primary and without right of contribution from any other insurance which may be available to the Administrative Agent and the other Secured Parties, (F) provide that the Administrative Agent and other Secured Parties have no responsibility for premiums, warranties or representations to underwriters. Such Grantor irrevocably makes, constitutes and appoints the Administrative Agent (and all officers, employees or agents designated by the Administrative Agent) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of such Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that such Grantor at any time or times shall fail to obtain or maintain any of the policies of insurance required hereby or to pay

any premium in whole or part relating thereto, the Administrative Agent may, without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Administrative Agent deems advisable. All sums disbursed by the Administrative Agent in connection with this subsection, including reasonable attorneys' fees and expenses, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by such Grantor to the Administrative Agent and shall be additional Obligations secured hereby.

Section 3.3 Receivables

(a) Representations and Warranties. Each of the Grantors, jointly with the other Grantors and severally, represents and warrants to the Administrative Agent and the other Secured Parties that no Receivable included in the Collateral owned or rights therein held by it or on its behalf is evidenced by an Instrument or Chattel Paper that has not been delivered to the Administrative Agent.

(b) Covenants and Agreements. Each Grantor hereby covenants and agrees that:

(i) It shall mark conspicuously, in form and manner reasonably satisfactory to the Administrative Agent, all Chattel Paper, Instruments and other evidence of any Receivables included in the Collateral owned or rights therein held by it or on its behalf (other than any delivered to the Administrative Agent as provided herein), as well as the related Receivables Records, with an appropriate reference to the fact that the Administrative Agent has a security interest therein.

(ii) It will not, without the Administrative Agent's prior written consent (which consent shall not be unreasonably withheld), grant any extension of the time of payment of any such Receivable, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Supporting Obligation or Collateral Support relating thereto, or allow any credit or discount whatsoever thereon, other than extensions, credits, discounts, releases, compromises or settlements granted or made in the ordinary course of business and consistent with its current practices and in accordance with such practices reasonably believed by such Grantor to be prudent.

(iii) Except as otherwise provided in this Section, it shall continue to collect all amounts due or to become due to it under all such Receivables and any Supporting Obligations or Collateral Support relating thereto, and diligently exercise each material right it may have thereunder, in each case at its own cost and expense, and in connection with such collections and exercise, it shall, upon the occurrence and during the continuance of an Event of Default, take such action as it or the Administrative Agent may reasonably deem necessary. Notwithstanding the foregoing, the Administrative Agent shall have the right at any time after the occurrence and during the continuance of an Event of Default to notify, or require such Grantor to notify, any Account Debtor with respect to any such Receivable, Supporting Obligation or Collateral Support of the Administrative Agent's security interest therein, and in addition, at any time during the continuation of an Event of Default, the Administrative Agent may: (i) direct such Account Debtor to make payment of all amounts due or to become due to such Grantor thereunder directly to the Administrative Agent and (ii) enforce, at the cost and expense of such Grantor, collection thereof and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor would be able to have done. If the Administrative Agent notifies such Grantor that it has elected to collect any such Receivable, Supporting Obligation or Collateral Support in accordance with the preceding sentence, any payments thereof received by such Grantor shall not be commingled with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Administrative Agent hereunder and shall be forthwith delivered to the Administrative Agent in the same form as so received (with any necessary indorsement), and such Grantor shall not grant any extension of the time of payment thereof, compromise, compound or settle the same for less than the full amount thereof, release the same, wholly or partly, or allow any credit or discount whatsoever thereon.

(iv) It shall use its best efforts to keep in full force and effect any Supporting Obligation or Collateral Support relating to any Receivable.

(ii) All Pledged Equity Interests included in the Collateral owned or rights therein held by it or on its behalf have been duly authorized and validly issued and are fully paid and nonassessable, and such Grantor is the direct owner, beneficially and of record, thereof, free and clear of all Liens (other than Liens expressly permitted by the Loan Documents).

(iv) All Pledged Collateral consisting of certificated securities, Chattel Paper or Instruments has been delivered to the Administrative Agent except to the extent that Pledged Debt is not evidenced by a Pledged Note as provided in Section 6.13(d) of the Credit Agreement.

(v) Other than the Pledged Equity Interests that constitute General Intangibles, there is no Pledged Collateral other than that represented by certificated securities or Instruments in the possession of the Administrative Agent.

(b) Registration in Nominee Name; Denominations. Each Grantor hereby agrees that (i) without limiting Article 5, the Administrative Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to hold any Pledged Collateral in its own name as pledgee, the name of its nominee (as pledgee or as sub agent) or the name of the applicable Grantor, endorsed or assigned, where applicable, in blank or in favor of the Administrative Agent, (ii) at the Administrative Agent's request, such Grantor will promptly give to the Administrative Agent copies of any material notices or other communications received by it with respect to any Pledged Collateral registered in its name, and (iii) the Administrative Agent shall at all times have the right to exchange any certificates, instruments or other documents representing or evidencing any Pledged Collateral owned or rights therein held by or on behalf of such Grantor for certificates, instruments or other documents of smaller or larger denominations for any purpose consistent with this Security Agreement.

(c) Voting and Distributions.

(i) Subject to Section 10.15 of the Credit Agreement, unless and until an Event of Default shall have occurred and be continuing:

(A) Each Grantor shall retain and be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of the Pledged Collateral, or any part thereof, for any purpose consistent with the terms of this Security Agreement and the other Loan Documents; provided, however, that such Grantor will not be entitled to exercise any such right if the result thereof could materially and adversely affect the rights inuring to a holder of the Pledged Collateral or the rights and remedies of any of the Secured Parties under this Security Agreement or any other Loan Document or the ability of any of the Secured Parties to exercise the same.

(B) The Administrative Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to each Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling it to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subsection (c)(i)(A) and to receive the cash payments it is entitled to receive pursuant to subsection (c)(i)(C).

(C) Each Grantor shall be entitled to receive, retain and use any and all cash dividends, interest and principal paid on the Pledged Collateral owned or rights therein held by it or on its behalf to the extent and only to the extent that such cash dividends, interest and principal are not prohibited by, and otherwise paid in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable laws. (ii) Subject to Section 10.15 of the Credit Agreement, without limiting the generality of the foregoing, upon the occurrence and during the continuance of an Event of Default:

(A) To the extent not prohibited by the Communications Act and the rules, regulations and policies of the FCC, all rights of each Grantor to dividends, interest or principal that it is authorized to receive pursuant to subsection (c)(i)(C) shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest or principal, as applicable. All dividends, interest and principal received by or on behalf of any Grantor contrary to the provisions of this Section shall be held in trust for the benefit of the Administrative Agent, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Administrative Agent upon demand in the same form as so received (with any necessary endorsement). Any and all money and other property paid over to or received by the Administrative Agent pursuant to the provisions of this subsection (c)(ii)(A) shall be retained by the Administrative Agent in an account to be established in the name of the Administrative Agent, for the ratable benefit of the Secured Parties, upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 6.2. Subject to the provisions of this subsection (c)(ii)(A), such account shall at all times be under the sole dominion and control of the Administrative Agent, and the Administrative Agent shall at all times have the sole right to make withdrawals therefrom and to exercise all rights with respect to the funds and other property from time to time therein or credited thereto as set forth in the Loan Documents. After all Events of Default have been cured or waived, the Administrative Agent shall, within five Business Days after all such Events of Default have been cured or waived, repay to the applicable Grantor all cash dividends, interest and principal (without interest) that such Grantor would otherwise be permitted to retain pursuant to the terms of subsection (c)(i)(C) and which remain in such account.

(B) To the extent not prohibited by the Communications Act, all rights of each Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to subsection (c)(i)(A), and the obligations of the Administrative Agent under subsection (c)(i)(B), shall cease, and all such rights shall thereupon become vested in the Administrative Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers, provided that, unless otherwise directed by the Required Lenders, the Administrative Agent shall have the right from time to time following and during the continuance of an

Event of Default to permit such Grantor to exercise such rights. After all Events of Default have been cured or waived, the applicable Grantor will have the right to exercise the voting and consensual rights and powers that it would otherwise be entitled to exercise pursuant to the terms of subsection (c)(i)(A).

(b) Covenants and Agreements. Each Grantor hereby covenants and agrees as follows:

(i) It will not, nor will it permit any of its licensees (or sublicensees) to, do any act, or omit to do any act, whereby any Patent included in the Collateral that is material to the conduct of the business of the Loan Parties taken as a whole may become invalidated or dedicated to the public, and it shall continue to mark any products covered by a Patent with the relevant patent number as necessary and sufficient to establish and preserve its maximum rights under applicable patent laws.

(ii) It will (either directly or through its licensees or its sublicensees), for each Trademark included in the Collateral that is material to the conduct of the business of the Loan Parties taken as a whole, (A) maintain such Trademark in full force free from any claim of abandonment or invalidity for non-use, (B) maintain the quality of products and services offered under such Trademark, (C) display such Trademark with notice of Federal or other analogous registration to the extent necessary and sufficient to establish and preserve its rights under applicable law, and (D) not knowingly use or knowingly permit the use of such Trademark in violation of any third party's valid and legal rights.

(iii) It will (either directly or through its licensees or its sublicensees), for each work covered by a Copyright included in the Collateral that is material to the conduct of the business of the Loan Parties taken as a whole, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve its maximum rights under applicable copyright laws.

(iv) It will promptly notify the Administrative Agent in writing if it knows or has reason to know that any Intellectual Property material to the conduct of the business

(v) In no event shall it, either directly or through any agent, employee, licensee or designee, file an application for any Intellectual Property with the United States Patent and Trademark Office or the United States Copyright Office unless it promptly, but in no event later than ten Business Days thereafter, notifies the Administrative Agent in writing thereof and, upon request of the Administrative Agent, executes and delivers any and all agreements, instruments, documents and papers as the Administrative Agent may request to evidence the Administrative Agent's security interest in such Intellectual Property, and such Grantor hereby appoints the Administrative Agent as its attorney in fact to execute and file such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable.

(vi) It will take all necessary steps that are consistent with the practice in any proceeding before the United States Patent and Trademark Office or the United States Copyright Office to maintain and pursue each material application relating to the Intellectual Property owned or rights therein held by it or on its behalf (and to obtain the relevant grant or registration) and to maintain each issued Patent and each registered Trademark and Copyright that is material to the conduct of the business of the Loan Parties taken as a whole, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if consistent, in good faith, with good business judgment, to initiate opposition, interference and cancellation proceedings against third parties. In the event that it has reason to believe that any Intellectual Property material to the conduct of the business of the Loan Parties taken as a whole has been or is about to be infringed, misappropriated or diluted by a third party, it promptly shall notify the Administrative Agent in writing and shall, if consistent with good business judgment, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and take such other actions as are appropriate under the circumstances to protect such Intellectual Property.

(vii) During the continuance of an Event of Default, it shall use its best efforts to obtain all requisite consents or approvals by the licensor of each License to effect the assignment (as collateral security) of all of its right, title and interest thereunder to the Administrative Agent or its designee.

(viii) It shall take all steps reasonably necessary to protect the secrecy of all Trade Secrets relating to the products and services sold or delivered under or in connection with the Intellectual Property owned or rights therein held by or on its behalf, including entering into confidentiality agreements with employees and labeling and restricting access to secret information and documents.

(ix) It shall continue to collect all amounts due or to become due to such Grantor under all Intellectual Property, and diligently exercise each material right it may have thereunder, in each case at its own cost and expense, and in connection with such collections and exercise, it shall, upon the occurrence and during the continuance of an Event of Default, take such action as it or the Administrative Agent may reasonably deem necessary. Notwithstanding

the foregoing, the Administrative Agent shall have the right at any time after the occurrence and during the continuance of an Event of Default to notify, or require such Grantor to notify, any relevant obligors with respect to such amounts of the Administrative Agent's security interest therein.

In addition, to the extent permitted by applicable law, each Grantor hereby irrevocably authorizes the Administrative Agent to file one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Collateral owned or rights therein held by it or on its behalf without the signature of such Grantor and agrees that a photographic or other reproduction of this Security Agreement or of a financing statement signed by such Grantor shall be sufficient as a financing statement and may be filed as a financing statement in any and all jurisdictions. ADMINISTRATIVE AGENT APPOINTED ATTORNEY-IN-FACT

Each Grantor hereby appoints the Administrative Agent and any officer or agent thereof, as its true and lawful agent and attorney in fact for the purpose of carrying out the provisions of this Security Agreement and taking any action and executing any instrument that the Administrative Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest, and without limiting the generality of the foregoing, the Administrative Agent shall have the right, with power of substitution for such Grantor and in such Grantor's name or otherwise, for the use and benefit of the Administrative Agent and the other Secured Parties, upon the occurrence and during the continuance of an Event of Default and at such other time or times permitted by the Loan Documents, (i) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral owned or rights therein held by it or on its behalf or any part thereof; (ii) to demand, collect, receive payment of, give receipt for, and give discharges and releases of, any of such Collateral; (iii) to sign the name of such Grantor on any invoice or bill of lading relating to any of such Collateral; (iv) to send verifications of Receivables owned or rights therein held by it or on its behalf to any Account Debtor; (v) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on any of the Collateral owned or rights therein held by it or on its behalf or to enforce any rights in respect of any of such Collateral; (vi) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to any of such Collateral; (vii) to notify, or to require such Grantor to notify, Account Debtors and other obligors to make payment directly to the Administrative Agent, and (viii) subject to the rules, regulations and policies of the FCC, to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with any of such Collateral, and to do all other acts and things necessary to carry out the purposes of this Security Agreement, as fully and completely as though the Administrative Agent were the absolute owner of such Collateral for all purposes; provided, however, that nothing herein contained shall be construed as requiring or obligating the Administrative Agent or any other Secured Party to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Administrative Agent or any other Secured Party, or to present or file any claim or notice, or to take any action with respect to any of the Collateral or the monies due or to become due in respect thereof or any property covered thereby, and no action taken or omitted to be taken by the Administrative Agent or any other Secured Party with respect to any of the Collateral shall give rise to any defense, counterclaim or offset in favor of such Grantor or to any claim or action against the Administrative Agent or any other Secured Party. The provisions of this Article shall in no event relieve any Grantor of any of its obligations hereunder or under the other Loan Documents with respect to any of the Collateral or impose any obligation on the Administrative Agent or any other Secured Party to proceed in any particular manner with respect to any of the Collateral, or in any way limit the exercise by the Administrative Agent or any other Secured Party of any other or further right that it may have on the date of this Security Agreement or hereafter, whether hereunder, under any other Loan Document, by law or otherwise. Any sale pursuant to the provisions of this paragraph shall be deemed to conform to the commercially reasonable standards as provided in Section 9-611 of the UCC as in effect in the State of New York or its equivalent in other jurisdictions (or any successor provisions).

ARTICLE 6.

REMEDIES UPON DEFAULT

Section 6.1 Remedies Generally

(a) General Rights. Upon the occurrence and during the continuance of an Event of Default, each Grantor agrees to deliver each item of Collateral owned or rights therein held by it or on its behalf to the Administrative Agent on demand, and it is agreed that the Administrative Agent shall have the right to take any of or all the following actions at the same or different times: (i) with respect to any Collateral consisting of Intellectual Property or Commercial Tort Claims, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any such Collateral by the applicable Grantors to the Administrative Agent, or, in the case of Intellectual Property, to license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Administrative Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained), and (ii) with or without legal process and with or without prior notice or demand for performance, to take possession of the Collateral owned or rights therein held by it or on its behalf and without liability for trespass to enter any premises where such Collateral may be located for the purpose of taking possession of or removing such Collateral and, generally, to exercise any and all rights afforded to a secured party under the UCC or other applicable law. Without limiting the generality of the foregoing, each Grantor agrees that the Administrative Agent shall have the right, subject to the mandatory requirements of applicable law, to sell or otherwise dispose of any of the Collateral owned or rights therein held by or on behalf of such Grantor, at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate. The Administrative Agent shall be irrevocably authorized at any such sale of such Collateral constituting securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing such Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale, the Administrative Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of the applicable Grantor, and such Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay, valuation and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

(b) Sale of Collateral. The Administrative Agent shall give each Grantor fifteen days' written notice (which such Grantor agrees is reasonable notice within the meaning of Section 9-611 of the UCC as in effect in the State of New York or its equivalent in other jurisdictions (or any successor provisions)) of the Administrative Agent's intention to make any sale of any of the Collateral owned or rights therein held by or on behalf of such Grantor. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which such Collateral will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Administrative Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral to be sold may be sold in one lot as an entirety or in separate parcels, as the Administrative Agent may (in its sole and absolute

discretion) determine. The Administrative Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of any of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Administrative Agent until the sale price is paid by the purchaser or purchasers thereof, but the Administrative Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by applicable law, private) sale made pursuant to this Section, any Secured Party may bid for or purchase, free (to the extent permitted by applicable law) from any right of redemption, stay, valuation or appraisal on the part of such Grantor (all said rights being also hereby waived and released to the extent permitted by law), any of the Collateral offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from such Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to such Grantor therefor. For purposes hereof, (i) a written agreement to purchase any of the Collateral shall be treated as a sale thereof, (ii) the Administrative Agent shall be free to carry out such sale pursuant to such agreement, and (iii) no Grantor shall be entitled to the return of any of the Collateral subject thereto, notwithstanding the fact that after the Administrative Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Administrative Agent may proceed by a suit or suits at law or in equity to foreclose upon any of the Collateral and to sell any of the Collateral pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Article shall be deemed to conform to the commercially reasonable standards as provided in Part 6 of Article 9 of the UCC as in effect in the State of New York or its equivalent in other jurisdictions (or any successor provisions). Without limiting the generality of the foregoing, each Grantor agrees as follows: (A) if the proceeds of any sale of the Collateral owned or rights therein held by it or on its behalf pursuant to this Article are insufficient to pay all the Obligations, it shall be liable for the resulting deficiency and the fees, charges and disbursements of any counsel employed by the Administrative Agent or any other Secured Party to collect such deficiency, (B) it hereby waives any claims against the Administrative Agent arising by reason of the fact that the price at which any such Collateral may have been sold at any private sale pursuant to this Article was less than the price that might have been obtained at a public sale, even if the Administrative Agent accepts the first offer received and does not offer such Collateral to more than one offeree, (C) there is no adequate remedy at law for failure by it to comply with the provisions of this Section and that such failure would not be adequately compensable in damages, and therefore agrees that its agreements in this Section may be specifically enforced, (D) the Administrative Agent may sell any such Collateral without giving any warranties as to such Collateral, and the Administrative Agent may specifically disclaim any warranties of title or the like, and (E) the Administrative Agent shall have no obligation to marshal any such Collateral.

(c) FCC Licenses. Notwithstanding anything to the contrary contained in the Credit Agreement or in any of the Security Documents, the Administrative Agent and the Secured Parties will not take any action pursuant to the Credit Agreement or any of the Security Documents that would constitute or result in any assignment of an FCC License or any change of control of the Broadcasting Stations if such assignment of FCC License or change of control

would require under then existing law (including the published rules and regulations promulgated by the FCC), the prior approval of the FCC, without first obtaining such approval of the FCC. The Administrative Agent and the Secured Parties specifically agree that (i) voting rights in the Pledged Equity Interests will remain with the holders of such voting rights upon and following the occurrence of an Event of Default unless any required prior approvals of the FCC to the transfer of such voting rights shall have been obtained; (b) upon and following the occurrence of any Event of Default and foreclosure upon the Pledged Equity Interests by the Administrative Agent, there will be either a public or private arm's-length sale of the Pledged Equity Interests; and (c) prior to the exercise of voting rights by the purchaser at any such sale, all prior consents of the FCC required by applicable law will be obtained. Each Grantor agrees to take any action which the Administrative Agent may reasonably request in order to obtain and enjoy the full rights and benefits granted to the Administrative Agent by the Credit Agreement and the Security Documents including specifically, at such Grantor's own cost and expense, the use of the commercially reasonable efforts of such Grantor to assist in obtaining approval of the FCC, if applicable, for any action or transaction contemplated by the Credit Agreement or the Security Documents which is then required by law, and specifically, without limitation, upon request following the occurrence of an Event of Default, to prepare, sign and file (or cause to be prepared, signed or filed) with the FCC any portion of any application or applications for consent to the assignment of license or transfer of control required to be signed by such Grantor and necessary or appropriate under the FCC's rules and regulations for approval of any sale or transfer of any of the Equity Interests or assets of such Grantor or any of its subsidiaries or any transfer of control over any FCC License.

Section 6.2 Application of Proceeds of Sale

The Administrative Agent shall apply the proceeds of any collection or sale of the Collateral, as well as any Collateral consisting of cash (except as otherwise provided in Section 6.11 of the Credit Agreement, as follows:

FIRST, to the payment of all reasonable costs and expenses incurred by the Administrative Agent (in its capacity as such hereunder or under any other Loan Document) in connection with such collection or sale or otherwise in connection with this Security Agreement, any other Loan Document or any of the Obligations, including all out of pocket court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Administrative Agent hereunder or under any other Loan Document on behalf of any Grantor and any other reasonable out-of-pocket costs or expenses incurred in connection with the exercise of any right or remedy permitted hereunder or under any other Loan Document;

SECOND, to the payment in full of the Obligations (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the amounts of the Obligations owed to them on the date of any such distribution); and

THIRD, to the applicable Grantor, its successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Administrative Agent shall have sole and absolute discretion as to the time of application of any such proceeds, monies or balances in accordance with this Security Agreement. Upon any sale of the Collateral by the Administrative Agent (including pursuant to a

power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Administrative Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Administrative Agent or such officer or be answerable in any way for the misapplication thereof.

Section 6.3 Pledged Equity Interests

In view of the position of each Grantor in relation to the Pledged Equity Interests, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the "Federal Securities Laws") with respect to any disposition of the Pledged Equity Interests permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Administrative Agent if the Administrative Agent were to attempt to dispose of all or any part of the Pledged Equity Interests, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Equity Interests could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Administrative Agent in any attempt to dispose of all or part of the Pledged Equity Interests under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Grantor recognizes that in light of such restrictions and limitations the Administrative Agent may, with respect to any sale of the Pledged Equity Interests, limit the purchasers to those who will agree, among other things, to acquire such Pledged Equity Interests for their own account, for investment, and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Administrative Agent, in its sole and absolute discretion, (i) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Equity Interests, or any part thereof, shall have been filed under the Federal Securities Laws and (ii) may approach and negotiate with a single potential purchaser to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Administrative Agent shall incur no responsibility or liability for selling all or any part of the Pledged Equity Interests at a price that the Administrative Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Administrative Agent sells any such Pledged Equity Interests.

Section 6.4 Grant of License to Use Intellectual Property

For the purpose of enabling the Administrative Agent to exercise rights and remedies under this Article, at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Administrative Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, license or sub-license any of the Collateral consisting of Intellectual Property now owned or rights therein held or hereafter acquired or held by or on behalf of such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer

software and programs used for the compilation or printout thereof. The use of such license by the Administrative Agent shall be exercised, at the option of the Administrative Agent, upon the occurrence and during the continuation of an Event of Default; provided that any license, sub-license or other transaction entered into by the Administrative Agent in accordance herewith shall be binding upon such Grantor notwithstanding any subsequent cure of an Event of Default. Any royalties and other payments received by the Administrative Agent shall be applied in accordance with Section 6.2.

Section 6.5 Registration, etc.

Each Grantor agrees that, upon the occurrence and during the continuance of an Event of Default, if for any reason the Administrative Agent desires to sell any of the Pledged Collateral owned or rights therein held by or on behalf of such Grantor at a public sale, it will, at any time and from time to time, upon the written request of the Administrative Agent, use its best efforts to take or to cause, where applicable, the issuer of such Pledged Collateral to take such action and prepare, distribute and/or file such documents, as are required or advisable in the reasonable opinion of counsel for the Administrative Agent to permit the public sale of such Pledged Collateral. Each Grantor further agrees to indemnify, defend and hold harmless the Administrative Agent, each other Secured Party, any underwriter and their respective officers, directors, affiliates and controlling Persons from and against all loss, liability, expenses, costs of counsel (including reasonable fees and expenses of legal counsel), and claims (including the costs of investigation) that they may incur, insofar as such loss, liability, expense or claim, as applicable, relates to such Grantor or any of its property, and arises out of or is based upon any alleged untrue statement of a material fact contained in any prospectus (or any amendment or supplement thereto) or in any notification or offering circular, or arises out of or is based upon any alleged omission to state a material fact required to be stated therein or necessary to make the statements in any thereof not misleading, except insofar as the same may have been caused by any untrue statement or omission based upon information furnished in writing to such Grantor or the issuer of such Pledged Collateral, as applicable, by the Administrative Agent or any other Secured Party expressly for use therein. Each Grantor further agrees, upon such written request referred to above, to use its best efforts to qualify, file or register, or cause, where applicable, the issuer of such Pledged Collateral to qualify, file or register, any of the Pledged Collateral owned or rights therein held by or on behalf of such Grantor under the Blue Sky or other securities laws of such states as may be requested by the Administrative Agent and keep effective, or cause to be kept effective, all such qualifications, filings or registrations. Each Grantor will bear all costs and expenses of carrying out its obligations under this Section. Each Grantor acknowledges that there is no adequate remedy at law for failure by it to comply with the provisions of this Section and that such failure would not be adequately compensable in damages, and therefore agrees that its agreements contained in this Section may be specifically enforced.

ARTICLE 7.

REIMBURSEMENT OF ADMINISTRATIVE AGENT

Each Grantor agrees, jointly with the other Grantors and severally, to pay to the Administrative Agent the amount of any and all reasonable out-of-pocket expenses, including the reasonable fees, other charges and disbursements of counsel and of any experts or agents, that the Administrative Agent may incur in connection with (i) the administration of this Security Agreement relating to such Grantor or any of its property, (ii) the custody or preservation of, or

the sale of, collection from, or other realization upon, any of the Collateral owned or rights therein held by or on behalf of such Grantor, (iii) the exercise, enforcement or protection of any of the rights of the Administrative Agent hereunder relating to such Grantor or any of its property, or (iv) the failure by such Grantor to perform or observe any of the provisions hereof. Without limitation of its indemnification obligations under the other Loan Documents, each of the Grantors agrees, jointly with the other Grantors and severally, to indemnify the Administrative Agent and the other Indemnitees against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related out-of-pocket expenses, including reasonable counsel fees, other charges and disbursements, incurred by or asserted against any Indemnatee arising out of, in any way connected with, or as a result of (a) the execution or delivery by such Grantor of this Security Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, or the performance by such Grantor of its obligations under the Loan Documents and the other transactions contemplated thereby or (b) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnatee is a party thereto, provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnatee. Any amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. The provisions of this Section shall remain operative and in full force and effect regardless of the termination of this Security Agreement or any other Loan Document, the consummation of the transactions contemplated hereby or thereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Security Agreement or any other Loan Document or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section shall be payable within ten days of written demand therefor and shall bear interest at the rate specified in Section 3.1 of the Credit Agreement.

ARTICLE 8.

WAIVERS; AMENDMENTS

No failure or delay of the Administrative Agent in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the other Secured Parties hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Security Agreement or any other Loan Document or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any Grantor in any case shall entitle such Grantor to any other or further notice or demand in similar or other circumstances. Neither this Security Agreement nor any provision hereof may be waived, amended, supplemented or otherwise modified, or any departure therefrom consented to, except pursuant to an agreement or agreements in writing entered into by, between or among the Administrative Agent and the Grantor or Grantors with respect to which such waiver, amendment, other modification or consent is to apply, subject to any consent required in accordance with Section 10.2 of the Credit Agreement.

ARTICLE 9.

SECURITY INTEREST ABSOLUTE

All rights of the Administrative Agent hereunder, the Security Interest and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (i) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Obligations, or any other agreement or instrument relating to any of the foregoing, (ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other waiver, amendment, supplement or other modification of, or any consent to any departure from, the Credit Agreement, any other Loan Document or any other agreement or instrument relating to any of the foregoing, (iii) any exchange, release or non-perfection of any Lien on any other collateral, or any release or waiver, amendment, supplement or other modification of, or consent under, or departure from, any guaranty, securing or guaranteeing all or any of the Obligations, or (iv) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Obligations or in respect of this Security Agreement or any other Loan Document.

ARTICLE 10.

TERMINATION; RELEASE

This Security Agreement and the Security Interest shall terminate when all Commitments have expired or otherwise terminated and all Obligations shall have been finally and indefeasibly paid in full and all Letters of Credit have expired and all LC Disbursements have been reimbursed. Upon (i) any sale, transfer or other disposition permitted by the Loan Documents (other than any sale, transfer or other disposition of any Collateral that would, immediately after giving effect thereto, continue to be Collateral but for the release of the Security Interest therein pursuant to this clause) or (ii) the effectiveness of any written consent to the release of the Security Interest in any Collateral pursuant to Section 10.2 of the Credit Agreement, the Security Interest in such Collateral shall be automatically released. In addition, if any of the Pledged Equity Interests in any Restricted Subsidiary are sold, transferred or otherwise disposed of pursuant to a transaction permitted by the Loan Documents and, immediately after giving effect thereto, such Restricted Subsidiary, would no longer be a Subsidiary then the obligations of such Subsidiary under this Security Agreement and the Security Interest in the Collateral owned or rights therein held by or on behalf of such Subsidiary shall be automatically released. In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to the applicable Grantor, at such Grantors own cost and expense, all UCC termination statements and similar documents that such Grantor may reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Article shall be without recourse to or warranty by the Administrative Agent or any other Secured Party.

ARTICLE 11.

ADDITIONAL GRANTORS

Upon execution and delivery after the date hereof by the Administrative Agent and a Restricted Subsidiary of a Supplement, such Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein (each an "Additional Grantor"). The execution and delivery of any Supplement shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder and each other Loan Party and other party (other than a Credit Party) under the Loan Documents shall remain in full force and effect notwithstanding the addition of any Additional Grantor as a party to this Security Agreement.

ARTICLE 12.

NOTICES

All communications and notices hereunder shall be in writing and given as provided in Section 10.1 of the Credit Agreement. All communications and notices hereunder to the Administrative Agent or the Borrower shall be given to it at its address for notices set forth in such Section, and all communications and notices hereunder to any other Grantor shall be given to it at its address for notices set forth on Schedule I, with, in the case of any Grantor other than the Borrower, a copy to the Borrower.

ARTICLE 13.

BINDING EFFECT; SEVERAL AGREEMENT; ASSIGNMENTS

Whenever in this Security Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of any Grantor that are contained in this Security Agreement shall bind and inure to the benefit of each party hereto and its successors and assigns. This Security Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Grantor and the Administrative Agent and their respective successors and assigns, and shall inure to the benefit of such Grantor, the Administrative Agent and the other Secured Parties, and their respective successors and assigns, except that no Grantor shall have the right to assign its rights or obligations hereunder or any interest herein or in any of the Collateral (and any such attempted assignment shall be void), except as expressly contemplated by this Security Agreement or the other Loan Documents. This Security Agreement shall be construed as a separate agreement with respect to each of the Grantors and may be amended, supplemented, waived or otherwise modified or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

ARTICLE 14.

SURVIVAL OF AGREEMENT; SEVERABILITY

All covenants, agreements, representations and warranties made by the Grantors herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Security Agreement or any other Loan Document shall be considered to have been relied upon by the Administrative Agent and the other Secured Parties and shall survive the execution and delivery of any Loan Document and the making of any Revolving Loan, regardless of any investigation made by the Secured Parties or on their behalf, and shall continue in full force and effect until this Security Agreement shall terminate. In the event any one or more of the provisions contained in this Security Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

ARTICLE 15.

GOVERNING LAW

THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

ARTICLE 16.

COUNTERPARTS

This Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which, when taken together, shall constitute but one contract (subject to Article 13), and shall become effective as provided in Article 13. Delivery of an executed counterpart of this Security Agreement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Security Agreement.

ARTICLE 17.

HEADINGS

Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Security Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Security Agreement.

ARTICLE 18.

JURISDICTION; VENUE; CONSENT TO SERVICE OF PROCESS

Each Grantor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Security Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that, to the extent permitted by applicable law, all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by applicable law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Security Agreement shall affect any right that the Administrative Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Security Agreement or the other Loan Documents against such Grantor or any of its property in the courts of any jurisdiction. Each Grantor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Security Agreement or the other Loan Documents in any foregoing court referred to in this Article. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. Each party hereto irrevocably consents to service of process in the manner provided for notices in Article 12. Nothing in this Security Agreement will affect the right of any party hereto to serve process in any other manner permitted by law.

ARTICLE 19.

WAIVER OF JURY TRIAL

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS SECURITY AGREEMENT. EACH PARTY HERETO (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS SECURITY AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS ARTICLE.

FORM OF SUPPLEMENT

SUPPLEMENT NO. __, dated as of _____, to the SECURITY AGREEMENT, dated as of July 29, 2003, among SAGA COMMUNICATIONS, INC., a Delaware corporation (the "Borrower"), the Subsidiaries of the Borrower party thereto, and THE BANK OF NEW YORK, as administrative agent under the Credit Agreement referred to in the next paragraph (as amended, supplemented or otherwise modified from time to time, the "Security Agreement").

Reference is made to the Credit Agreement, dated as of July 29, 2003, among the Borrower, the lenders from time to time party thereto Union Bank of California, N.A., as Syndication Agent, Fleet National Bank, as Documentation Agent, and The Bank of New York, as administrative agent thereunder (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"). Capitalized terms used herein and not defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement.

The Grantors have entered into the Security Agreement in order to induce the Credit Parties to enter into the Credit Agreement. Article 11 of the Security Agreement provides that additional Subsidiaries may become Grantors under the Security Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Subsidiary (the "New Grantor") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Grantor under the Security Agreement in order to induce the Lenders to make additional Revolving Loans and as consideration for Revolving Loans previously made.

Accordingly, the Administrative Agent and the New Grantor hereby agree as follows:

1. In accordance with Article 11 of the Security Agreement, the New Grantor by its signature below becomes a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Grantor, and the New Grantor hereby agrees to all the terms and provisions of the Security Agreement applicable to it as a Grantor thereunder. In furtherance of the foregoing, the New Grantor, as security for the payment and performance in full of the Obligations, does hereby create and grant to the Administrative Agent (and its successors and assigns), for the benefit of the Secured Parties (and their successors and assigns), a security interest in and lien on all of the New Grantor's right, title and interest in and to the Collateral (as defined in the Security Agreement) owned or rights therein held by or on behalf of the New Grantor. Each reference to a "Grantor" in the Security Agreement shall be deemed to include the New Grantor. The Security Agreement is hereby incorporated herein by reference.

2. The New Grantor represents and warrants to the Administrative Agent and the other Secured Parties that (i) this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally, (ii) set forth on the Schedules attached hereto are true and complete schedules of all of the information that would have been required to have been delivered by or on behalf of the New Grantor pursuant to the Security Agreement and the Schedules thereto if the New Grantor had been originally named in the Security Agreement, and (iii) the representations and warranties made by it as a

Grantor under the Security Agreement are true and correct on and as of the date hereof based upon the applicable information referred to in clause (ii) of this Section.

3. This Supplement may be executed in counterparts (and by each party hereto on a different counterpart), each of which shall constitute an original, but both of which, when taken together, shall constitute but one contract. This Supplement shall become effective when the Administrative Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of the New Grantor and the Administrative Agent. Delivery of an executed counterpart of this Supplement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Supplement.

4. Except as expressly supplemented hereby, the Security Agreement shall remain in full force and effect.

5. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

6. In the event any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

7. All communications and notices hereunder shall be in writing and given as provided in Article 12 of the Security Agreement. All communications and notices hereunder to the New Grantor shall be given to it at the address set forth in the applicable Schedule hereto, with a copy to the Borrower.

8. The New Grantor agrees to reimburse the Administrative Agent for its out of pocket expenses in connection with this Supplement, including the fees, disbursements and other charges of counsel for the Administrative Agent.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

⁹ There is pending an application (File No. BLH-19960916KC) for a license to cover a construction permit for WDBR.

¹⁰ Holds construction permit File No. BPH-20020802ABA to relocate to Sherman, IL, which expires October 22, 2005, unless an application for license to cover is first filed. In a "Report and Order", *Lincoln and Sherman, Illinois*, DA 02-687, 67 Fed. Reg. 16652, published April 8, 2002, the FCC re-allotted FM Channel 230B1 from Lincoln, Illinois, to Sherman, Illinois, and modified the license of Station WMHX(FM) to operate at Sherman. On April 22, 2002, a former competitor in the Springfield market, Long Nine, Inc., filed a petition for reconsideration of the FCC's action. On May 7, 2002, Saga-Illinois timely opposed the petition for reconsideration. That matter is pending before the FCC. On October 22, 2002, the FCC granted the Subsidiary's application to operate WMHX as a Sherman, Illinois, station without any change in the transmitter site for WMHX and conditioned the permit on the outcome of the appeal. In the unlikely event the FCC's action is reversed, it could require Saga-Illinois to return to Lincoln, Illinois, as the city of license for WMHX.

¹¹ FCC's records still show these stations licensed to Lakefront Communications, Inc. On July 8, 2003, the Subsidiary's counsel filed a letter notifying the FCC that the *pro forma* assignment of licenses of these stations was consummated as of July 3, 2003, and counsel has sent an email to the FCC requesting the agency to change its records.

Saga Broadcasting, LLC, has a Local Marketing Agreement with Surtsey Productions, Inc., for the purchase and resale of broadcast time on Station KVCT(TV), Victoria, TX.

Saga Quad States Communications, LLC, has a Local Marketing Agreement with Surtsey Productions, Inc., under which Saga Quad States Communications, LLC, may sell broadcast time on KFJX(TV), Pittsburg, KS (Permittee is Davis Television Pittsburg, LLC).

Note 1: Recent changes (and proposed changes) in the FCC's multiple ownership rules (See *2002 Biennial Regulatory Review*, FCC 03-127, released July 2, 2003) could, among other things, ultimately result in the early termination of the Borrower's television Local Marketing Agreements and could adversely impact the Borrower's ability to assign or transfer its FCC Licenses in certain radio markets to a single purchaser.

Note 2: In connection with the conversion of the Subsidiaries from corporations to limited liability companies, it was necessary to file with the FCC applications seeking consent to *pro forma* assignment of the FCC Licenses and consent to *pro forma* transfer of control of certain Subsidiaries.

¹⁴ WJOI-FM is party to a rule making proceeding in MB Docket No. 03-132 to modify the license of WJOI-FM to operate at Oak Grove, Kentucky. The Subsidiary intends to file an amendment to the proposal to relocate WJOI-FM to Trenton, Kentucky, because of multiple ownership concerns.

Those applications have been granted, but because the FCC's actions appeared on multiple public notices, all of the FCC actions will not have become Final FCC Orders until August 19, 2003.
